For years staff in the DWP have complained about low pay and being stuck at the bottom of their pay scale because of no pay progression.

The Employee Deal negotiated by PCS means that pay will be better for new staff and that you will move to the top of your pay scale quickly.

What does it mean to you ?

If you are an AO on or near the minimum

- Your pay will increase from £15,530 to £20,499 by July 2019.
- In Outer London it will increase from £18,245 to £24,498
- In Inner London it will increase from £19,465 to £24,498.

If you are an EO on or near the minimum

- Your pay will increase from £22,200 to £26,892 by July 2019.
- In Outer London it will increase from £23,505 to £31,099.
- In Inner London it will increase from £24,930 to £31,099,

These new higher contractual increases were negotiated by PCS.

The Employee Deal means that by July 2019 93% of staff will be on the new higher spot rate of pay for their grade.
